## Welcome Back!

We'd like to take this opportunity to welcome new skaters and their families to the Woodville Skating Club, and to welcome back all returning ones! The executive has been busy planning fun events for our skaters to enjoy here at the Woodville Skating Club. To keep up with these events, be sure to keep your eye out for these monthly newsletters. As well, we encourage all parents and guardians to follow our Facebook page named 'Woodville Skating Club' for competition results, reminders about spirit days and events, as well as updates regarding program status on those bad snowy days that can occur during our lovely Canadian winters. Please do not hesitate to contact any of our executive members with any questions or concerns you may have at any point throughout the season.

If you'd be interested in volunteering with our executive team - more hands are always welcome to keep our small club running for our skaters. We have many open roles that we are hoping to fill with eager parents looking to improve the sporting experience for all skaters in our small community. To inquire, please reach out at [woodvilleskatingclub@gmail.com](mailto:woodvilleskatingclub@gmail.com).

## Fall Skate Swap/Sale

We're excited to be hosting a skate swap/sale this September for all new and returning skaters. This is an opportunity for our members to come together, bring old pairs of skates or dresses and swap or sell the equipment that your skater has grown out of. This will also give parents the opportunity to purchase gently used equipment from others. We also plan to do our CanSkate parent information meeting that evening as well to create a one stop shop.

# Fall Parent Information Sessions

This season we plan to do fall information sessions for our Pre-CanSkate/CanSkate programs, Bronze STAR and Silver STAR. This is an opportunity for parents to receive information on our programs, meet our coaches and executive members, and ask any questions they may have regarding our upcoming season.

Please see below for the dates and times of the sessions:

## Pre-CanSkate/CanSkate:

- Thursday, September 28, 2023
- Woodville Arena
- 6:30 PM - 7:30 PM

## Bronze STAR:

# PA Training

Calling all STAR 2+ skaters - if you're interested in helping as a program assistant this season on our CanSkate ice, please plan to attend the two training sessions listed below. At these, our coaches will outline the roles and expectations for our program assistants and will answer all questions our skaters may have.

# WSC Clothing Orders

Looking for some WSC clothing for your skater? The executive is working to confirm 2023/2024 pricing with our provider. Once these have been confirmed, please keep an eye out as we will be providing order forms and an order deadline. We intend to have this completed prior to the December holidays to make sure our skaters are ready for the colder weather. We plan to have this information available for the October newsletter.
