WSC Ice Show 2018

The Woodville Skating Club is excited to announce the theme of this year's ice show as "Decades of Music". The show will be on Saturday, March 24th, 2018 at the Woodville Arena. There will be two shows, one being at 2:00pm, and one being at 7:00pm. Coaches will begin working on ice show numbers with all skaters at the beginning of March to get them prepared. With ice show being such a large production, many volunteers are needed in order to pull it off for the skaters. Lots of jobs need doing whether it be manning a spot light, selling popcorn in the lobby, or setting up and taking down props, extra hands are always welcome. If any parents are available and willing to help at any point during the day please let an executive member know. We look forward to ice show every year as it gives many skaters a chance to showcase their progress to family and friends, as well as have some fun with their new friends on the ice. We hope to see everyone there!

CanSkate Challenge Fun Skate

The Woodville Skating Club would like to wish our younger skaters luck as they travel to the Bobcaygeon Fun Skate on February 24th to showcase some of their skills to be graded individually. We hope it's a great experience for all and that you enjoy your moments to shine!

WSC Simulation Skate 2018

On February 3rd, the Woodville Skating Club hosted a small simulation skate for our skaters to give them an opportunity to complete their programs with the ice to themselves, and be evaluated by our club coaches. All skaters received a small report card and a participation medal.
