CanSkate Theme Day: Olympic Day

February 15th, 2018

For this theme day we're planning to keep the Olympic enthusiasm going on the ice. We're going to have small games set up for our little Olympians to participate in throughout the night.

Happy New Year!

First off, the Woodville Skating Club would like to wish all of our skaters and their families a happy new year! We wish for health and happiness all around.

Fundraising

With reaching the midpoint of the season, the club is asking for any outstanding cash calendar booklets to be handed in as soon as possible as the draws will begin in February. Boxes of chocolates are still available and can be gained by asking any of the executive members.

CanSkate Challenge Fun Skate

With limited competitions in the area for our younger skaters, the Bobcaygeon Skating Club has invited us to participate in a Fun Skate that they have put together. It will be taking place on February 24th, 2018 from 11:00am-3:00pm, and is solely for our CanSkaters (levels 1-6, excluding Pre-CanSkate). If you have a CanSkater who is interested in performing some of their mastered skills in a fun, and encouraging environment, please see Kirsten for more details!
