WSC Ice Show 2018

Our 2018 ice show is approaching quickly, and our coaches Denise and Beth are hard at work planning and teaching programs, as well as planning costumes for all of our skaters. Our executive is working out the logistics to make the event run smoothly. The shows will be on Saturday, March 24th, 2018 at the Woodville Arena. There will be two shows, the first being at 2:00pm, and the second being at 7:00pm. A volunteer list has been posted in the lobby with a variety of small jobs that need to be done in order for the show to go on. The executive relies on the help of our parent volunteers and we greatly appreciate any assistance we can get. We are looking forward to an awesome day to be had by all and cannot wait to see our skaters shine and show off their skills that they have acquired throughout the year.

CanSkate Report Card Day

Our CanSkate report cards were handed out to our Pre CanSkate and CanSkate skaters on March 1st. Many badges and ribbons were given out and we are very proud of all the accomplishments our skaters have made throughout the season. The coaches and the executive have seen every skater improve over the weeks, and we would like to extend our congratulations. All skaters have worked hard and shown excellent commitment to the sport. Enjoy your summer off, see you at the rink in the fall.

Summertime Fundraisers

The executive is working hard to try and lock down a few fundraising events over the off season. We have not confirmed anything as of yet, but please ensure that you are following our facebook page "Woodville Skating Club" for updates. Currently we are trying to work out logistics of a possible sign making workshop. As well, we often participate in the Woodville Family Festival parade, so keep an eye out for any announcements regarding that if your skaters would be interested in walking with us.
