Club Movie Night

The club will also be hosting a movie night on **Friday, February 22nd, 2019 at 6:30PM** to give our younger skaters a change to watch High School Musical. Our ice show will be based off of the movies this year, so we're hoping to heighten some excitement with this event. It will be a free event and will be available to all of our skaters and their families who wish to participate. There will be juice boxes and snacks provided.
