

GOLD STAR 2024/2025 SEASON INFORMATION

SKATER LEVELS

We've made some changes, our Gold STAR Session this year will be for skaters who are STAR 4+

PROGRAM SCHEDULE

Our Gold STAR Sessions will run on Tuesdays and Thursdays beginning on September 10 and running until March 13. Two nights/week will be mandatory for all skaters.

Tuesdays: 6:35 PM - 7:50 PM

Thursdays: 4:30 PM - 5:30 PM

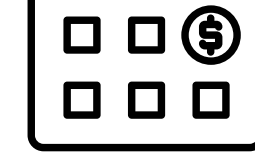

PROGRAM PERKS

This session will have one coach that will do privates, while a second coach acts as a supervisor, meaning that

as one coach will provide private instruction, another coach will be providing assistance to other skaters in group, individual, semi or class directed time. The supervising coach will provide guidance as needed to help skaters use their time on the ice more effectively. The goal is to make our Gold STAR session into a more productive program overall.

PAYMENT PLANS

The WSC offers payment plans for all of our programming. The basic structure is that all fees (Admin, Skate Canada and Fundraising) + 30% of registration fees are due at the time of registration. The remaining registration payments can be spread out over the next 4 months. If you're interested in a payment plan, be sure to click the drop down on Uplifter while processing your shopping cart.

DID YOU KNOW?

On average, a parent will pay an additional ~\$400.00 per season for private skating lessons (1 private lesson per week). The WSC has decided to change it's session format to include a structured session, meaning 1 coach will be available and flexible to work with skaters throughout the session. The supervising coach will be fully paid by the WSC, and will provide assistance to all skaters throughout their sessions, therefore, lessening the need for more frequent private lessons. You may note that the registration fees have increased this year - this is reflective of our ice fee increase of 3.25%, as well as the changes made as described above.
